AURA 2024

Non-Technical Event - Pace Run:

Each round presents a unique game challenge. Total race contains five different challenges. The faster you complete the rounds ,the team will be declared as winners.

After finishing all five challenges, the game displays the shortest time taken by the team. Aim to beat your own record or challenge friends to see who can conquer Pace Run in the quickest time!

Date and Time: 27th March 2024,10:30 AM

Venue: WB216

Challenges:

- 1.Guess the order
- 2.shot the basket
- 3.sack run
- 4.photo puzzle
- 5.sixth sense

RULES:

- Each team must have 3-5 participants for the entire game.
- The team with shortest completion time are the winners.
- Each participant can only play one challenge in the game If the team is full.
- Each challenge should be completed by only one participant in a team.
- Exploitation of rules and commitment of foul game results in disqualification of entire team.
